

Saint Andrew School 24-25 Tuition Rates

(All fees are now included in tuition rate)

The actual cost to educate each child is \$7,312.00. Active parishioners of St. Ann, St. Andrew, St. Francis Xavier or St. Joseph receive parish subsidy toward tuition. Non-active members receive unsubsidized rates. All tuition rates are offset by Saint Andrew School fundraisers. We ask that you prayerfully consider paying more than the tuition rate listed below by being one of our generous donors.
