

PARENTS' CHRISTIAN SPORTS PLEDGE

I/We, the undersigned, am/are registering my/our child in a Catholic athletic program, which will emphasize Christian values and the importance of an active faith life during practices and games. Although my/our child's team will practice hard and play their games to their best ability, faith in Jesus Christ - not just winning - will be the most important goal of the season.

I/We realize that my/our child which will be expected to behave in a Christian fashion throughout the season, and that family and friends who come to his/her games will also be expected to act appropriately for a Catholic sports program. I/We also realize that my/our child's team will be expected to attend Mass together once during the season, and to participate in a team service project.

I/We realize that non-Christian behavior on the part of my/our son/daughter or family members could result in my/our son's/daughter's suspension from playing.

As a parent, I/we pledge to do my/our part to witness to Christian values at home and on the field or court, to support the coaches in their attempt to develop the team into a faith community, and to take seriously the faith dimensions of team's efforts.
