### **Philosophy**

*While parents are the primary educators, the school shares with parents the responsibility of developing a faith in God which is viable and meaningful in each child. To accomplish this mission, we believe it is important for each child to reach his or her fullest potential by developing every facet of life: spiritual, physical, intellectual and emotional. The school, therefore, strives to enable each child to grow in faith, develop a personal relationship with God, and celebrate his/her ability to serve one another, as Jesus would. By instilling Christian values, attitudes, and actions and by expecting academic excellence from all children, we develop the future stewards of our Catholic Faith.*

Dear Parents,

Welcome to Saint Andrew School and the 2020-2021 school year! Our school has been providing quality education to Jackson County and beyond since 1872. ## Academics

**Assignments and Homework:** (Diocesan Policy #6154) Homework is an integral part of learning and retaining knowledge through practice and application. Homework is considered practice and reinforcement, a student's grade will be determined by in-class assignments and assessments. Assignments are purposeful and constructive to the learning process. Good student habits result from well-planned work. Homework is paramount to the connection between school and the home environment. Fully realizing that this is a most sensitive area, the following are suggested daily study guidelines in addition to time given in the classroom. An excessive amount of time spent on homework indicates a difficulty that should be discussed with the teacher. Some methods of communication that a teacher provides to the parents/guardians include a web-based school management program called Option C, e-mail, weekly planner that the students record their daily assignments and an open door policy.

Primary Grades (1, 2, & 3)	10-30 minutes
Intermediate Grades (4, 5, & 6)	30-45 minutes
Upper Grades (7 & 8)	45-90 minutes

At least a two day notice will be given to students prior to tests. The student's full name should be written/typed in the upper left hand corner of any worksheet or document. Neatness and correct formation of letters should be encouraged on written assignments. Errors should be corrected neatly. Assignments should be copied in the assignment notebook regularly for grades 5-8. When a student fails to complete assignments on a regular basis, overall academic success suffers.

**Constitution Tests:** A state and federal constitution test must be passed in the 7th (state) and 8th (federal) grades as a criterion for graduation from any state accredited school. This will be part of the Social Studies Curriculum and passing will be considered 65% or higher.

**Standardized Testing:** (Diocesan Policy #6162.5) The Diocesan Office of Education requires that the IOWA Standardized Assessment and Cognitive Ability Assessment be administered in grades three, five and seven during the fall.

**Religious Education Program:** As part of realizing our goals, the school curriculum includes a program of Religious Education in which all students are required to participate. The program includes daily religion classes, daily classroom prayer, and attendance at Mass each week. The program further includes participation for receiving the Sacraments of the Catholic Church however; Non-Catholics are not expected nor permitted to receive these Sacraments.

As an additional part of this program, all full-time teachers, Catholic and Non-Catholic, participate in ongoing Catechist Certification Programs of the diocese.

It is presumed that all parents who enroll their children in Saint Andrew School do so with the awareness of both the philosophy and the required education of the school. However, when there are students of faith traditions other than Catholicism in the classroom, they are not only be warmly welcomed, but also, when appropriate, be given the opportunity to share their faith background.

**Spanish Program:** The Spanish Program is a core subject for grades 6th - 8th and an enrichment program for Pre-K through 5th grade. It allows our students the added opportunity of learning the Spanish language and culture.

**Intervention Program:** Every child is unique. Every child learns differently and behaves differently. Some children need different academics for success than others. In order to monitor the needs of all our students, we have implemented AIMSWeb assessments and STAR assessments. These assessments help us to identify students that may be falling behind their peers. Interventions are designed to meet the needs of the student. Here are some examples of the interventions we initiate.

- Classroom teachers may use additional strategies and materials for students to gain skills or knowledge.
- Classroom teacher/Resource teacher may work with students in small groups to gain skills or knowledge.
- Resource teacher may work with students one on one in a separate environment for the student to build skills or knowledge
- Tri-County Special Education may be asked to do an evaluation to better understand the needs of the student..

**Grading:**

A	Excellent Progress/Work	93-100	G	Good Progress for non-graded subject
B	Above Average Progress/Work	86-92	S	Satisfactory Progress for non graded subject
C	Satisfactory Progress/Work	78-85	N	Needs Improvement/Unsatisfactory
D	Below Average Progress/Work	70-77	I	Incomplete
F	Failing Work	Below 70	N/A	Not Applicable

**Honors:** Consistent with the mission of Saint Andrew School to educate the whole child through faculty commitment and family involvement, academic excellence is recognized through the following Honor Roll Policy.

**Qualifications for Honor Roll:**

**Honors applies for grades 6-8 only**

High Honors.....average of 3.8 and up

Honors.....average of 3.5 – 3.7

**Average taken from 4.0 system**

**Report Cards:** They are issued quarterly according to Diocesan policy #5124, in addition to mid Quarter reports.

**Retention Guidelines:** (Diocesan Regulation 5123) The teacher shall inform the principal when he/she is considering retention of a student. The teacher will give reasons for this consideration. The teacher will inform the principal if the request for retention is made by the parents and the reasons for the request. The principal will evaluate the data collected to determine the student’s academic/emotional needs/abilities and the level of the student’s physical, social and psychological growth.

The decision to retain a student should be a cooperative one of parent, student, teacher and principal. Before a final decision is made to retain a student, the case must be reviewed by the Office of Education. Parents must be informed at least nine weeks before a final decision is made to retain a student.

**Accreditation:** Saint Andrew School is a member of the Belleville Diocesan School System of Belleville and accredited by the State of Illinois. Teachers hold an Illinois State Teaching License.

**Admissions:** Parents wishing to enroll their children in Saint Andrew School will be expected to show an interest in the education of their children by cooperating with the faculty and administration in school matters. Parents are expected to become actively involved in Saint Andrew School and their home parish or church in order to reinforce the values and attitudes for living a truly Christian life. Sunday Mass or church with family is an integral part of the religious education offered at Saint Andrew School. Students are expected to comply with all school regulations and to conduct themselves in a manner that is conducive to learning and being a disciple of Christ.

**Class Size:** All Catholic students or siblings of non-Catholic students will be considered until class size reaches 25. A priority ranking will help determine entrance if, by registration of any year, there are more than 25 students enrolled for any one class. The pastor or principal may deviate from this number if it is in the best interest of the school.

**Priority Ranking for Acceptance to Saint Andrew School:** A priority ranking will help determine entrance into Saint Andrew School if there are more than 25 students seeking enrollment for any one class. The priority ranking will be as follows:

- Students currently enrolled in classes (Pre-K-8).
- Catholic applicant of Saint Andrew/Saint Francis Parishes who resides in the same household with sibling(s) currently enrolled in or graduated from Saint Andrew School.
- Catholic applicant from a neighboring parish who resides in the same household with sibling(s) currently enrolled in or graduated from Saint Andrew School.
- Catholic applicant of Saint Andrew/Saint Francis Parishes who are seeking enrollment into Saint Andrew School for the first time.
- Catholic applicant from a neighboring parish who is seeking enrollment into Saint Andrew School for the first time.
- Non-active Catholic applicant who resides in the same household with sibling(s) currently enrolled in or graduated from Saint Andrew School.
- Non-active Catholic applicant who is seeking enrollment into Saint Andrew School for the first time.
- Non-Catholic applicant who resides in the same household with sibling(s) currently enrolled in or graduated from Saint Andrew School.
- All other applicants who are seeking enrollment for the first time.

The following definitions will be used:

**Catholic Applicant:** Applicant must be baptized or have made official notification of baptism. The applicant's parent(s) or guardian(s) must be participating, registered Catholic(s).

**Non-Active Catholic Applicant:** Applicant has not been baptized or the applicant's family has not shown participation in church life through regular attendance in Mass (as determined by the Pastors).

The school office will maintain a waiting list for all applicants. Children of non-Catholic families seeking enrollment for the first time will be placed on a waiting list and considered for enrollment on a case-by-case basis, taking into account the date their name was placed on the waiting list and the size for each class.

The principal will determine acceptance and final placement after consulting with the pastors on a case-by-case basis. Any student who begins at Saint Andrew School will be allowed to finish his/her education here regardless of the class size. Families enrolling for the first time will have the above priority ranking explained. The principal would determine a tie in the ranking for a final placement after consulting with the

Pastors.

**Entrance Requirements:** Children enrolling in Kindergarten are to be age 5 on or before September 1. Exceptions allowed under the Illinois School Code must be approved by the principal, pastor and Superintendent of Schools. **All students entering Kindergarten must have a physical with proof of immunizations, dental exam and vision exam. Students entering 2nd grade must have a dental exam. Students entering 6th grade must have physicals with proof of immunizations and dental exam.**

Students entering the school in grades K through 8 will be assessed. This assessment informs the principal of the academic abilities of the student in comparison to our current curriculum. This allows the principal to place the incoming student in an environment best suited for success (Diocesan Policy #6162.5)

**Records:** (Diocesan Policy #5125) Each pupil has a Permanent Record folder in the local school file. These Permanent Record forms are obtained from the Office of Education. Information contained in the Permanent Record form shall be treated as confidential matter and shall be accessible only to the professional staff of the school or the parents of the child. The Permanent Record folder contains only:

- Student's name, birth date and place, parent's names and addresses;
- Academic record, intelligence, aptitude test scores, achievement test score labels, and grade level achieved;
- Attendance record;
- Social Security Number;
- Health records and accident reports;
- Record of release of permanent record information.

**Release of Records:** (Diocesan Policy #5119) School records or information contained therein may not be released or disclosed to unauthorized persons. They may be released to the following:

- Parents, students, or representatives designated by a written consent of the parents.
- Office of Education
- Any person as specifically required by law, provided the person presents appropriate identification and a copy of the statute authorizing such access.
- Appropriate persons, in case of emergency, if the information is necessary to protect the health and/or the safety of the student or other persons provided that the parents are notified as soon as possible of such releases.
- The courts, in response to a court order.
- Official representatives of a school to which the student is transferring, on request of either the student or the parent. Parents may examine and challenge content prior to release.

\*Saint Andrew School abides by the provisions of the Buckley Amendment with respect to the rights of noncustodial parents. In the absence of a court order to the contrary, a school will provide the noncustodial parent with access to the academic records and to other school rated information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. When a student transfers from Saint Andrew School to another Catholic or public school and has an outstanding balance, an unofficial record of student grades must be sent to the requesting school. An "Unofficial Record of Student Grades" means written information relative to the grade levels and subjects in which a student was enrolled and the record of academic grades achieved by that student. Such records shall also include the name and address of the school, the name of the student to whom the records pertain, the name and title of the school official transmitting the records, and the date of transmittal. Health records cannot be withheld and must be forwarded upon receipt of a written request.

**Probationary Statement:** Any new students that register to attend Saint Andrew School are considered probationary until such time as records are received from the transferring school (records for grades 1-8) and a

“sufficient period of time” has passed to guarantee that any special needs of the child can be met by existing Saint Andrew School curriculum and resources.

“Sufficient time” is to be judged by the principal and teachers involved, on a case-by-case basis, preferably not to exceed six weeks. Each student and parent will confer with the principal and teachers after this time to ensure that the student is able to meet success in his/her new environment.

Continued enrollment is dependent on Saint Andrew School's ability to provide for the academic needs of each student. When it is believed that the school cannot adequately provide for the academic needs of the student, the principal will provide recommendations for placement in an academic setting that best fits the needs of the child. Parental cooperation and support regarding school policies and procedures are also criteria for continued enrollment in Saint Andrew School.

**Alcohol Use/Drug Abuse by Students:** Diocesan Policy 5114.1 states: The use, possession, distribution or sale of mood altering chemicals, including alcohol, by students is prohibited on school property or at school-sponsored activities or events. Disciplinary action will be taken in instances of violation of this policy. This excludes the use of medications as ordered by the student's physician.

The Diocesan Board of Education recognizes the complexity of problems which may be associated with alcohol and drug abuse. The primary concern is for the well-being and best interests of the students. At the same time the Board recognizes their obligation to the parents or guardians and to the community. As a part of this obligation, it is, at times, necessary that suspension and/or expulsion be recommended in a case of alcohol or abuse.

A student who is suspended or expelled under this policy may seek readmission. No such student will be readmitted, however, unless there is written evidence from a certified psychologist or psychiatrist to show that the student is engaged in a counseling program designed to rid self of the abusive behavior. (Adopted: January 24, 2000)

**Allergy Management Program:** In accordance with Diocesan Policy 5141.5, the following food allergy management program is in place.

**Family Responsibility:** The family will notify the school of any allergies of the student at the time of registration and fill out the necessary paperwork for office and teacher's files. The family will provide the school with an EpiPen, or other necessary medications, and any specific directions for administration.

**Student Responsibility:** A student will be aware of what he/she is allergic to and take necessary precautions to avoid the allergen and alert a teacher or other staff member if they believe they have been exposed to the allergen.

**School's Responsibility:** The school office will keep a file on each child identifying known allergies and protocols for responding to allergic reactions. The teacher will keep a file on each student's allergies or other medical issues. The school will educate staff on food allergies, including the administration of Epipens. Individual Epipens for students will be kept in their classrooms. The school will minimize the risk to known allergens (see Lunch Program).

**Asbestos-Containing Materials & Management Plan:** Saint Andrew School has complied with the Federal Asbestos Hazard Emergency Response Act (AHERA) [40 CFR 763.93(e) (101)]. The school buildings have been inspected for asbestos-containing materials by a licensed inspector. In addition, an Asbestos Management Plan has been prepared by a licensed Management Planner. The Inspection Report and Management Plan are on file in the facility office and are available for public review during business hours. The report states that asbestos containing materials were found. Copies of these reports are available upon notification of the facility administrator and payment of a fee to cover copying costs.

**Attendance:** When students are absent from school, important work and instructions are missed and that may put them behind their classmates. When it is necessary for students to be absent from school, the parents/guardians are asked to contact the school between 8:15-9:15 a.m. on the day of absence concerning the nature of the absence. Phone calls will be made to parents/guardians from the school office on unreported absences. (Illinois School Code 105 ILSC 5/26-3b).

**Truancy:** Students of Saint Andrew School are subject to compulsory school attendance. A student who is absent (without an excused absence) for 10% or more of the previous 180 regular attendance days is in violation of this policy. (Illinois School Code 105 ILSC 5/26-21).

**Excused Absence:** Excused absences include illness, death in the immediate family, or family emergency. Absences for other reasons will be considered on an individual basis.

Doctor and dental appointments, if at all possible, should be made outside of school hours. Notes from parents should be sent to school regarding medical or dental appointments. Students missing 30 minutes or less will be considered tardy. Students missing more than 30 minutes will be considered absent for one-half day (Diocesan Policy 5113). Parents must accompany their child to the office to sign the child in/out for these appointments. **A student participating in any athletic or social event (basketball, softball, baseball, track, volleyball, and dances) must be in attendance at least half the day of the event.**

**It is the responsibility of the student to check with each teacher on the first day back from an absence regarding missed assignments and tests.** It is recommended that missed assignments and tests are requested the day of the absence. Students will have an equal amount of days to make up the work as days absent, or as grading period deems necessary.

**Unexcused Absence:** While vacations can serve as learning experiences, it is recommended that if they occur during the school year, they should be scheduled around normal holiday breaks. Since class instruction and peer interaction can never be made up, a student's progress may be impeded.

If an unexcused absence is unavoidable, a parent/guardian is required to contact the office and classroom teachers in advance of the absence. When possible, teachers may be able to provide assignments in advance but it is not required.

**Early Arrival:** All students arriving earlier than 8:05 a.m. **MUST** report to the cafeteria. **All students, arriving after 8:05 A.M., will enter the school through the main entrance on Mulberry Street.**

**Early Dismissal:** Whenever it is necessary to close school earlier than 3:00 p.m., the parents will be notified.

Early dismissal dates for meetings are listed on the school calendar. We will post changes on the school website and send an email to all parents. Dismissal or cancellation of school due to inclement weather will be announced over the local radio stations beginning with the 6 a.m. broadcasts and on the local television stations. When the buses run one hour late due to adverse driving conditions, classes will begin at 9:30 a.m. Do not call the parish rectory or the principal's residence. You will also receive an automated call/text from our school messenger calling system.

**Tardy Policy:** The academic progress of each student depends on the punctuality and regularity of his/her attendance at school. The Saint Andrew School day begins at 8:15 a.m. and concludes at 3:00 p.m. each day to meet the state requirements of a six and one-half hour day. Students are expected to arrive promptly to school or Mass. Students must be in their classroom or assigned area by 8:15 a.m. When students arrive after 8:15 a.m. they are recorded tardy. When students arrive after 9:00 a.m., they will be recorded as absent for one-half day (Diocesan Policy #5113). **ANY** student arriving after 8:15 a.m. **MUST** be signed in by parent/guardian at the school office.

**Non-Catholic Attendance:** At Saint Andrew School, we welcome the attendance of non-Catholic students. We feel their attendance at our school strengthens ecumenical goals and adds diversity to our student population. As set forth in the school philosophy statement, our school focuses on teaching Catholic doctrine, building Christian community by instilling Christ-like attitudes and values in our students, and teaching the importance of being of service to others. These goals are pursued with all students, Catholic and non-Catholic. A part of our religious education program includes preparation for receiving the Sacraments of the Catholic Church; however, non-Catholics are not expected nor permitted to receive these Sacraments.

**Athletics:** Saint Andrew School's primary focus is the faith and academic development of each student. Participation in athletics is a natural extension of learning and provides many students additional opportunities for personal growth and development. All students in grades 4-8 are eligible to participate in the sports program. Saint Andrew School offers: baseball (boys); softball (girls); cross-country (boys & girls); basketball (boys & girls); track (boys & girls) and volleyball (girls). Grade 4 is not eligible for cross-country or track. Teams play or practice no more than four times per week. Students who are absent may not participate in any extracurricular activity scheduled for that calendar date, unless given permission by the principal.

Any student suspended from school is automatically suspended from all extracurricular activities, including sports. Any other circumstances which could result in a student being suspended from games, practices or dropped from a team will be left to the discretion of the principal and pastor. The athletic director and coaches of each sport have the right to restrict students' participation in that activity for just reason.

Diocesan regulations require that ***"All students participating in the sports program must have a sports physical/physical exam each year and have a copy of the report on file. A permission form must be on file for each student participating in the athletic program."***

Copies of Diocesan policy # 6145.2 and regulation 6145.2 are available upon request in the office.

**"Win the Prize" Athletic Program:** Saint Andrew School participates in the diocesan-sponsored program "Win the Prize." This program's purpose is to put faith into practice in the school's athletic program. All coaches are required to receive this training. Coaches are also required to complete an Initial Child Protection Training, a volunteer application, CANTS and Illinois State Police background check and yearly refresher course.

**Band:** Saint Andrew students who reside in Murphysboro 186 District and attend grades 5-8 may participate in the Murphysboro Middle School Band program. Parents are responsible for transporting their child to and from the Murphysboro Middle School for band practice.

**Bicycles:** When a bicycle is ridden to school, the student must park it in the designated parking area. The bicycles, for safety sake, should be walked off the grounds and across all major streets. Bicycle owners will assume full responsibility for any and all damage to or by their bicycles while on school property. Bicycles should be locked when left on school property.

**Books, Materials, School Property:** It is the policy of the school that unreasonable damage to textbooks must be paid by the student's parent(s)/guardian(s). The principal will impose the fine. Payment for lost textbooks, workbooks, or A.R./library books must be made before a child receives his/her final report card.

*Policy 5131.5 Each student shall pay for all damages he or she may cause to school property or property of other students whether willful or through careless conduct. If a student accidentally and unavoidably damages school property, he or she is to report such damage immediately.*

**Bullying Prevention Program and Policy:** A bullying prevention program called "Stand up on the Playground" has been implemented in grades K-8. Diocesan Policy 5142.2 Student Conduct and Safety - Harassment, Intimidation and Bullying

A safe and civil environment in school is necessary for students to learn and achieve high academic standards; harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment and is, therefore, not acceptable behavior. "Harassment, intimidation or bullying" means any gesture, written, verbal or physical act that takes place at school, on school property, at any school sponsored function or on a school bus and that:

- is motivated by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression or a mental, physical or sensory disability; or,
- by any other distinguishing characteristic; and
- a reasonable person should know, under the circumstances, that the act(s) will have the effect of harming a student or damaging the student's property, or placing a student in reasonable fear of harm to his person or damage to his property; or
- has the effect of insulting or demeaning any student or group of students in such a way as to cause substantial disruption in, or substantial interference with, the orderly operation of the school.

Not all acts of bullying, however, are motivated by characteristics such as the target: race, color, religion, gender or sexual orientation. Some acts of bullying are simply one child exercising power and control over another in isolated incidents (e.g., intimidation, harassment) or patterns of harassing or intimidating behavior (e.g., bullying).

Students are expected to conduct themselves in keeping with their levels of development and maturity. Students are to show proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities, and the care of school facilities and equipment.

**Bus:** The privilege of riding the buses may be removed if a student's behavior on the bus is unacceptable. Please stay current with payments for the SFX bus (Murphysboro District #186 buses are free). School bus riders, while in transit, are under the jurisdiction of the school bus driver unless the local board of education designates some adult to supervise the riders.

For information on Murphysboro buses please contact District 186 Bus Garage (684-6911). For Carbondale/Saint Francis Xavier bus information please contact Jeff Chmiola at SFX (457-4556). It is recommended that all riders, parents/guardians of bus riders, and teachers become thoroughly familiar with the following regulations governing school bus riders:

- Be on time at the designated school bus stop. Help keep the bus on schedule.
- Stay off the road at all times while waiting for the bus.
- Be careful in approaching the place where the bus stops. Do not move toward the bus until the bus has been brought to a complete stop.
- Do not leave your seat while the bus is in motion.
- Keep hands and head inside the bus at all times after entering and until leaving the bus. Do not throw anything out of the bus windows.
- Be absolutely quiet when approaching a railroad crossing stop.
- Treat bus equipment as you would valuable furniture in your own home. Never tamper with the bus or any of the equipment.
- Keep books, lunches, or other articles out of the aisle.
- Leave no books, lunches, coats, or other articles on the bus.
- Help look after the safety and comfort of smaller children.
- Do not ask the driver to stop at places other than the regular bus stops. He/she is not permitted to do this except by proper authorization from school officials.
- Observe the same rules and regulations on other trips under school sponsorship as you observe between home and school.
- Respect the wishes of the chaperone(s) appointed by the school.
- If a child lives on the same side of the street as the bus stops, he/she must immediately get a safe distance away from the bus so as not to be injured when the bus pulls away.
- Do not bring any animals on the school bus. It is prohibited by law.

If parents wish their children to walk home if they miss the bus, a written permission slip for the current school year must be on file in the school office. **Any student who needs to ride a Murphysboro District #186 bus to go home with another student must submit a written parental request to the bus garage 24 hours before riding the bus.**

Children will be dismissed from the cafeteria doors if there is heavy rain. Drivers are asked to drive slowly and carefully within the school zone for the safety and protection of our children. We use a modified procedure when it is raining heavily at 3 pm (calling children from the dismissal line as their parent drives up to the

cafeteria door); if we have heavy rain, please be patient and if necessary back into spots near the KC Hall until it is your turn.

**Remember, all cell phone use is prohibited while driving in a school zone.**

Chewing gum is also not allowed in school. Candy and snacks are not to be eaten in class without teacher permission.

**Change of Status:** Please update your Option C account if you change your address, telephone number, emergency number or email address during the course of the school year. This is the information we refer to as needed.

Students convalescing from an acute illness should remain at home until the need for medication no longer exists. Students should not be allowed to have any drugs in their possession on the school grounds.

Special circumstances exist for a health problem that can be expected to be of a long duration. When such a condition exists, the following policy will be adhered to:

#### PRESCRIPTION MEDICATION

To assure school attendance for students who must use medication in the treatment of chronic disabilities or illness.

Any student who is required to take oral medication during the regular school day, must comply with school regulations. These regulations must include at least the following:

- Written orders from a physician detailing the name of drug, dosage, and time interval medication is to be taken.
- Written request and permission from the parent or guardian of the student that the school complies with the physician's orders.
- Medication must be brought to school in a container appropriately labeled by the pharmacy or physician.
- Every medication given must be recorded on a medication log which includes date, time, dosage and signature of the person giving the medication.
- Only the principal or designated person shall be allowed to supervise a student taking prescription medication. At no time shall the principal or designated person administer medicine to a student.

The use in intramuscular or intravenous medication must be cleared with the physician and administered by a registered nurse. In all cases, the school retains the discretion to reject a request to administer medication.

#### NON-PRESCRIPTION MEDICATION

- No non-prescription medication will be dispensed in our school.
- The non-prescription medications include aspirin, Tylenol, antacids, antihistamines and any other medications.
- No topical application of alcohol, peroxide, calamine lotion or any other medication will be used.
- If injury occurs, we will use soap and water and inform the parent if the child needs further treatment or needs to be sent home.
- If a child needs medication, the parent will be called and he/she assumes the responsibility to bring the student's medication or take the student home.

## COMMUNICATION

Opportunities must be provided for communication with the student, parent and physician regarding the efficiency of the medication administered during school hours.

- Observe, evaluate and report to the student's parent, the student's health status and reaction at school to the medication(s) that has been prescribed by the physician. It is the parent's responsibility to inform the physician of any complications.

Any student not in compliance with health examination requirements will be asked to remain at home until the school receives the required documentation.

Contagious & Infectious Diseases - Parents must report to the school certain communicable diseases, including but not limited to Chicken Pox, Rubella, Mumps and Measles. For a full list, visit the Illinois Department of Public Health.

A copy of the forms used for the physician's statement and the request for administering medication at school

and release from liability form are available in the school office.

**HIV/AIDS:** Saint Andrew School follows procedures established by the Diocese of Belleville. At the present time, there is no medical justification for discrimination against students with AIDS. In fact, such discrimination is a violation of their basic human dignity and inconsistent with the Christian ethic. A student with AIDS should be treated with the same care and understanding as any student with a communicable disease.

**Illness/Injury:** Parents/guardians are required to complete the Saint Andrew School Emergency Form at the beginning of the year. Parents/guardians are notified as soon as possible in case of sudden illness or injuries of a serious nature. School personnel are not permitted to dispense internal medications without the written statement from the doctor and permission of the parent/guardian.

If a child receives a minor injury at school, the teacher on duty will apply first aid which shall be no more than a simple cleaning of wound and bandage or applying ice.

Students will not be dismissed from school because of illness unless a contact is made with a parent or a person designated by the parent/guardian. If neither the parent/guardian or other responsible person is available and immediate medical attention is warranted, the child will be transported to the nearest hospital emergency room service.

**Insurance Plan – Student: Diocesan Policy 5143 states:** An acceptable accident insurance plan is required for all students at Saint Andrew School. If school insurance is not purchased at registration for each year, verification of other coverage and a signed waiver must be given on the date of registration. **If acceptable verification of insurance is not given by September 1, for each school year, purchase of school insurance is required at that time.** (Adopted: April 7, 1976; Revised: February 9, 2010)

**Internet Usage Policy:** Diocesan Policy 1341 states: *In order to access and use the school's Internet and other related technologies (the "Network"), each person ("User") must sign this Authorization and the Internet Code of Conduct. If the User is a student, both, the student and his or her parent(s)/guardian(s) must sign this Authorization.* (Adopted: April 11, 1997; Revised: March 28, 2002)

In order to access and use the school's internet and other related technologies (the network), each student and his/her parent(s) or guardian must sign the Agreement Statement of this handbook stating he/she has read the Internet Code of Conduct and will abide by it. All use of the network shall be consistent with the school's goal of promoting educational excellence by facilitating resource sharing, innovation and communication. This authorization does not attempt to state all required or prescribed behavior by users. However, some specific examples are provided. The failure of any user to follow the terms of this authorization of internet access or the internet code of conduct will result in the loss of privileges, disciplinary action, and/or appropriate legal action. The signatures on the Agreement Statement are legally binding and indicate the party who signed has read the terms and conditions carefully and understands their significance. The internet agreement will be sent home at the beginning of the school year

#### **Terms and Conditions:**

1. Acceptable Use – Access to the network must be for the purpose of education or research and be consistent with the internet code of conduct and the educational objectives of Saint Andrew School.
2. Privilege – The use of the network is a privilege, not a right, and inappropriate use will result in a cancellation of the privilege. Users will participate in a discussion with an assigned staff person concerning the proper use of the network. A faculty member, staff person or parent/guardian may request the system administrations to deny, revoke, or suspend a student user's access to the network due to unacceptable use. The system administrator will make all decisions regarding whether or not a user has violated this authorization and may deny, revoke or suspend access at anytime. The system

administrator's decision is final.

3. Network Etiquette – Users are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:
  - Be polite. Do not become abusive in your messages to others.
  - Use appropriate language.
  - Do not reveal the personal address or telephone numbers of students, staff, faculty or colleagues.
  - Do not use the network in any way that would disrupt its use by others. Consider all communications and information accessible via the network to be private property.
1. E-mail – All electronic and telephonic communication systems and all communications and information transmitted by, received from, or stored in the network is the property of Saint Andrew School and as such used solely for educational purposes. The use of any software and/or the network for private or commercial purposes is strictly prohibited. Users using the network do so at their own risk. Users are not permitted to use a code, access a file, or retrieve any stored communication unless authorized to do so, or unless they have received prior clearance from the system administrator. All passwords are the property of Saint Andrew School. No user may use a password that has not been issued to that user. To ensure that the use of the network is consistent with the educational objectives of Saint Andrew School, authorized representatives of the school may monitor the use of the network at any time. Such monitoring may include printing and reading all email entering, leaving, or stored in these systems. Messages to or in support of illegal activities may be reported to the proper authorities. Therefore, anything you say, receive, or use on the internet is not private, and you should not have any expectation that any messages to or by you or activities by you are private or confidential.
2. No Warranties – Saint Andrew School makes no warranties of any kind, whether expressed or implied, for the network service it is providing and will not be responsible for any damages users suffer. This includes loss of data resulting from delays, non-deliveries, incorrect deliveries, or service interruptions. Use of any information obtained via the network is at the user's own risk. Saint Andrew School specifically denies any responsibility for the accuracy or quality of information obtained through the system.
3. Financial Obligations – The student or parent/guardian will be responsible for any financial obligation incurred through the use of the network that is not previously approved by the school. Unauthorized charges or fees include, but are not limited to, telephone charges, long distance charges, per-minute surcharges, and/or equipment or line cost.
4. Indemnification – The user shall indemnify Saint Andrew School. Any losses, costs, or damages, including reasonable attorney fees, incurred by the school relating to or arising out of, any breach of this authorization shall be the responsibility of the user.

Do not demonstrate the problem to other users. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Attempts to log onto the network as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the network.
6. Vandalism – vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user and the network. This includes, but is not limited to, the uploading or creation of computer viruses.

**Line of Authority & Problem Resolution:** The Diocesan and Saint Andrew School Board policy statements specify the lines of authority for dealing with problems or complaints. **“Every attempt should be made to solve problems at the most immediate level of concern by the persons directly involved in the problem.”** This would mean speaking directly with the teacher, coach or individual with whom you have a concern. Then if necessary, appeal to higher authorities in this order: the Principal, then the Pastor. If you have a concern during an athletic contest, Saint Andrew and all diocesan schools have a “24-hour” rule which requires that you consult the coach 24 hours after the contest.

**Liturgy & Sacraments:** Liturgy - Religion is taught in each grade and is reinforced by participatory weekly liturgy. The Liturgy/Mass schedule is printed in the Sunday Bulletin each week. Students assume liturgical leadership responsibilities by participating as lectors, altar servers, gift bearers, and choir members throughout the year. In addition, students participate in the preparation and celebration of the liturgical seasons. Parents and parishioners are always welcome and encouraged to attend.

Sacraments - Children prepare for the reception of the sacraments through the school and the Catholic Youth Formation programs of their respective parishes (Saint Andrew/Saint Francis Xavier). Second graders (both parishes) are prepared for the Sacrament of Reconciliation and the Sacrament of First Holy Communion.

Students are encouraged to attend parish penance services with their parents especially during Advent and Lent.

**Lost and Found:** Lost and found articles can be claimed in the lost and found located at the end of the hallway on the main classroom level. Items not identified/claimed by the end of each month will be donated to charity. Please be sure to mark your child’s clothing and belongings with their name.

**Motorized Vehicles:** No students are allowed to drive motorized vehicles to or from school.

**Non-Discrimination Policy:** According to the Diocesan Policy 5111.1, the Catholic elementary and secondary schools of the Diocese of Belleville, listed in the official Catholic School Directory published annually, admits students of any race, color, sex, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to the students at the school. They do not discriminate on the basis of race, color, sex, national or ethnic origin in administration of their educational policies, admissions policies, scholarship and local programs and athletic and other school-administered programs.

Saint Andrew School provides the ISBE-prepared Civil Rights Training to Teachers and School Lunch staff at its regularly scheduled staff and teachers meetings at the start of the year.

**Parental Participation:** The Catholic school system is based on a spirit of loving service and generosity, both on the part of parents and teachers, in order to keep the system in operation. **Parents of students in Saint Andrew School are encouraged and expected to donate their time, talents and services to the school.** Your time and energy are greatly needed and appreciated.

Check the volunteer link on our school website at [www.saintandrew-school.org](http://www.saintandrew-school.org) for more information on volunteer information and opportunities.

**Parish-School Organizations:** Various organizations such as Saint Andrew Home and School Association, Booster Club, School Board, School Board Committees and the Pastoral Councils help support and promote good home and school relations.

School Board The Saint Andrew Advisory School Board of education is an advisory board composed of the

pastors of Saint Andrew and Saint Francis Xavier parishes, the school principal, and eight or more appointed lay members. The purpose of the board is to formulate and monitor policies and practices related to the current operation and future needs of the school and its facilities, subject to regulations that proceed from the Diocese of Belleville and to local, state and federal law. Policies are established or modified to clarify areas of concern not provided for by such regulations, and are adopted or modified per established practices of parliamentary procedure regarding notice, readings, and voting. The board's organizing documents and policy manual are housed in the school office and are available for viewing by request.

Board meetings for the 2019-2020 school year will be held on the third Wednesday of each month at 6:00 pm in the church rectory and are open to parents and other interested parties. Those wishing to address the board shall submit a petition to the school office at least one week prior to a regular meeting and, subject to approval, will be asked to provide written materials, if any, prior to the meeting and to honor a ten minute time limit.

PTO (Parent - Teacher Organization) The Saint Andrew School PTO is an essential part of our school and parish. Meetings will be held periodically to facilitate events like the Scholastic Book Fairs, Chili Cook-Off, Santa's Gift Shop, Trunk or Treat and others. The organization has an activity fee of \$35.00 per family due at the time of registration and is included in the new fee schedule. All parents of children enrolled in Saint Andrew School and the school faculty/staff are members. This organization is an integral communication link between these two groups.

**Parties:** Saint Andrew School has three regularly scheduled classroom parties: Halloween, Christmas, and Valentine's Day during the year for PK-8 students. These parties are planned and supervised by homeroom parents. Students PK-8 may celebrate their birthdays by bringing a treat for their class (to be shared during the last fifteen minutes of the day). Please notify your child's teacher at least one day in advance if you are planning to bring in a treat.

Please note that invitations to personal parties may not be distributed at school unless all boys and/or girls in your child's class are invited.

**Pictures:** Individual pictures are taken each year during the fall and spring. Your child's fall picture will be used for the yearbook publication. Information with ordering instructions will be sent home with the student. A parent release must be signed to allow photos, videos, etc. of students to be posted on the website, newspapers and other publications this is included on the student's' emergency form.

**Pregnancy:** In the spirit of the pro-life message proclaimed by the Church, we permit the enrollment and attendance of pregnant students on a case-by-case basis.

**Pre-Kindergarten:** Saint Andrew School offers a full-time and part-time Pre-K programs for students who reach the age of three by the beginning of school. A separate preschool handbook is available in the office.

**Publicity:** The school would like permission to use and publish the likeness of your student(s). Saint Andrew School may use such media electronically on its website, over the Internet, in newsletters, directories, promotional materials, press releases and similar publications without limitation or compensation to the parents/guardians or the student. The parents/guardians would release and discharge the school from all claims that could arise from or in connection with the use of such media, including claims of libel and invasion of privacy.

**Recess:** Recess periods are scheduled so that children may receive needed fresh air and exercise. At recess periods, all are expected to take part in activities outdoors, except when the weather does not permit outdoor play or when excused by a teacher. **The children should come properly dressed for outdoor play.** Parents must send a written request if they would like their child to remain indoors during recess (should there be a need).

**Registration:** Intent to register form will come home the month of January and need to be returned by the end of that month. This is to determine enrollment numbers for the coming year and for budgeting purposes. Registration for the following school year will be held from April 1st till May 15th. A \$25.00 registration fee is payable at this time.

(See Tuition and Fees) A child who is five years of age or who will reach the age of five years before September 1, of the current year, may enter kindergarten. Parents/guardians must provide a copy of their child's official birth certificate, social security number and a copy of their child's baptismal certificate (if applicable). All preschool students must be three years old by the beginning of school the year of admittance.

Students entering pre-k, kindergarten and sixth grade must present a State of Illinois Certificate of Child Health Examination as required by the School Code of Illinois which includes a record of the required immunizations. Students in grades K, 2, 6, are required to have a dental exam. Kindergarteners are also required to have a vision exam by a licensed optometrist.

Transfer students must provide records from the previous school(s) attended. All students transferring from another state must complete all new Illinois health forms.

All book and activity fees are due by July 15, payable through FACTS Tuition.

**School Hours:** For grades PK through 8, the normal school day begins at 8:15 and ends at 3:00. **It is important to have children arrive before 8:15. Children entering the classroom after 8:15 disrupts the classroom routine.** The school opens at 7:30 a.m. Children should not arrive on the school grounds before 7:30 a.m. and are not allowed in the building before that time. No supervision is provided before then and the school assumes no responsibility for children who arrive earlier. **All students arriving between 7:30-8:05 must be dropped off at the cafeteria entrance and proceed to the cafeteria to be supervised.** After 8:05 a.m., students are to enter through the door facing Mulberry Street. If students arrive after the 8:15 a.m. bell, they are to proceed to the office with a parent/guardian. The parent/guardian must sign them in and the student will receive a tardy/late pass to give to his/her teacher. **CLASS BEGINS PROMPTLY AT 8:15 a.m.**

**CARS ARE NOT TO PARK IN THE FRONT AREA OF SCHOOL ONE HOUR BEFORE SCHOOL BEGINS OR ONE HOUR AFTER DISMISSAL. THIS IS A BUS LOADING ZONE!**

Once students arrive at school, they are not permitted to leave the school grounds unless they have a written explanation from their parents/guardian. The student must be picked up from the school office by their parent/guardian or other designated adult and signed out. No student is allowed to leave during the school day without adult supervision. When the students return, they must report to the office to sign in and receive a classroom pass before returning to class.

The school day ends at 3:00. Children are expected to be picked up promptly at 3:00. Children who remain later than 3:15 will be taken to Extended Care. Parents are expected to pay the hourly rates of the Extended Care program when the child is picked up.

A request from a parent or guardian is required for a student to leave before the time of dismissal. The principal dismisses or approves the dismissal of students who need to leave earlier for any reason. Anyone picking up a student must sign-in at the office and sign out the student.

**Search and Seizure:** Diocesan Policy 5115 states: The administration of the School is free to enter a student's locker, desk and school bag any time to search for questionable items. Saint Andrew School reserves the right to inspect all school and personal property. Any inappropriate items brought to school may be confiscated and not returned. School administration may ask for, but not force a student to provide a password for a student's cell phone.

**Special Education:** Special educational services are available through the public school system.

**Student Withdrawal:** When a child transfers to another school, a request for a formal withdrawal is made at the principal's office. Required information will include the name and grade of the child, the name and address of the school to which he/she is transferring, and the reason for the transfer. This is necessary in order to send the student's school records. However, **academic records will not be sent unless all payments are up-to-date.**

**Telephone Policy:** The school phone may be used by students but only in emergencies. No teacher or student should be disturbed during class time. Messages from incoming calls will be relayed to the students. Only in extreme cases are teachers or students called to the telephone during the school day. No child is to use the phone during the school day without the permission of the principal or homeroom teacher. Children should know their means of transportation for getting home in the afternoon before they leave home in the morning. **Students are not permitted to use cell phones during school hours.**

**Threats of Violence:** Diocesan Policy 5142.1 states:

The safety and welfare of students enrolled in a Catholic school in the Diocese of Belleville is of the highest priority. For this reason, a student's written or verbal threat of violence toward other students and/or persons within the school will be taken seriously. For the purpose of this procedure, a threat of violence will be interpreted as a verbal or written threat of action that may cause physical harm to others.

The principal of the school will take immediate action upon learning that a threat occurred. This action includes non-disciplinary suspension of the student into the custody of parent or guardian until a satisfactory psychological evaluation by a licensed mental health professional is completed and the principal agrees that the student may return to school.

The local police will be promptly notified of the threat. (Adopted: May 20, 2001)

Police questioning of a student at school is not permissible unless a parent or legal guardian is present.

It is the policy of Saint Andrew School that any violation of these rules while in school, or while being a school representative will lead to immediate suspension for the first offense. A second offense will be cause for expulsion and subject to review by the School Board.

**Tuition and Fees:**

The actual cost of educating each child is \$5,600.00. The cost decided by the school board to help families afford the tuition for one child is \$3,750.00. This rate is paid by the family and the difference (\$1,850.00) is paid for through fundraising, the parishes and the generosity of others. **We ask that all families prayerfully consider what they can afford.**

Questions about the FACTS program can be directed to the school office. Any exceptions to the payment schedule must be approved by the principal.

Tuition assistance is available for those that cannot afford the tuition rates. Parents may apply for scholarships through Empower Illinois at [empowerillinois.org](http://empowerillinois.org) or if the application is not approved/not enough funds, then parents may apply for assistance through FACTS Grant and Aid Program. **Current school families must submit tuition assistance applications through FACTS for the next school year by May 15th.**

Parental concerns regarding delinquent tuition or family hardships must be directed to the Principal. Should a family become delinquent, and there is no communication or effort made to correct the situation, the children affected will be discontinued at the end of the quarter in which the delinquency occurs. A family can reinstate their enrollment by the payment of all tuition and fees that are due to date. Payment must be made prior to the first day of the next quarter. Tuition refunds will be issued on case-by-case basis. Refunds will not include the period the student was present.

**Should a family's tuition become delinquent, all official records for the student(s) are withheld until fees and tuition are paid in full.**

**Visitors:** Anyone who is not an enrolled student or an employee is required to report to the school office upon entering any building to sign a register. The principal will deny a visitor's pass if the circumstances indicate that such action is in the best interest of the school. Because teachers are responsible for their students and are not able to meet with parents/guardians during their scheduled teaching/preparation time, parents/guardians are asked not to visit classrooms to discuss their student between 8:00-3:00 p.m. Parents/guardians are asked to make appointments to meet with teachers. Students are not permitted to have visitors during school hours, nor can they bring friends or relatives to school for any portion of the day. Classroom visitors and/or observers are to receive the principal's permission at least one full day prior to their visit.

**Volunteers:** Volunteers are an integral part of life at Saint Andrew School. Volunteers must have a specific role or task along with appropriate supervision. **Families are expected to volunteer at the school and for school events.** There is a volunteer book in the office to be filled out and signed at the time of volunteering. Volunteers must also use the sign-in procedure for visitors. If you would like to volunteer in any of the areas listed below please contact the administrative office:

**Wellness Policy:** Saint Andrew School meets its goals of ensuring healthy eating, physical activity, and nutrition education in the following ways: Students will be provided access to a variety of age-appropriate, appealing food and beverage choices that are consistent with the current Dietary Guidelines for Americans. Thus, in the school cafeteria, Saint Andrew School will: offer a variety of fruits and vegetables; serve low-fat (1%) and fat free milk; ensure whole grain products are served; and ensure meals, at a minimum, meet the nutrition requirements and regulations of the National School Lunch Program. For food and beverages sold or provided individually through vending machines, snack bars, school stores and school- sponsored fundraisers, the school closely monitors and regulates the items sold, ensuring they are consistent with the nutritional goals of the wellness policy. The school closely monitors and regulates the frequency and nature of school-sponsored fundraisers and makes every effort to provide nutritious and appealing foods and beverages, such as fruits, vegetables, low fat dairy foods and whole grain products whenever and wherever food is sold or otherwise offered at Saint Andrew School.
